Note

× Slip A

In their letter × No 913 J
dated 12th March 1884, the
Government of India, Foreign
Department, remarked
that the existing system
of confining the prisoners

sentenced by the Courts of the C & M Station in the Bangalore Central Jail was open to objection, and therefore a portion of the District Jail Class may be constructed in the C & M Station for the reception of persons sentenced to 12 months and under and for prisoners under trial. Persons sentenced to longer terms than one year were ordered to be transferred to the Jails of the Madras Presidency. After some correspondence with the Madras Government the prisoners sentenced by the Courts of the C & M Station to imprisonment for more than one year were transferred)

from the Bangalore Central Jail to Jails in the Madras Presidency.

2. During the course of the correspondence, the Officer Commanding Bangalore Division was asked, in this Office letter No. 1453/759 dated 15th October 1884, whether persons sentenced to imprisonment by Courts Martial should continue to be sent to the Bangalore Central Jail or should be sent to Jails in the Madras Presidency, until the construction of a separate Jail for the C & M Station.

In reply the General Commanding Bangalore Division ⊗ stated that H. E. the Commander in Chief was of opinion

* Slip B

⊗ No. 278/A dt. 15th Nov 1884 (Slip C)

that Court Martial prisoners who were now undergoing imprisonment in the Central Jail, Bangalore, should be transferred ~~to the~~ to Jails in the Madras Presidency and that the Madras Government had been addressed in regard to their removal.

3. The reference made to the Madras Government resulted in* that Government, Judicial Department, requesting the Military Dept. to order, under the 153rd Indian Articles of War (Act V of 1869), the transfer of the prisoners in question to Jails in ~~this~~ the Madras Presidency, one half being sent to Vellore and the other half to Salem.

* Madras Govt Order No. 204 d. 26th January 1885 (Sep D).

The Military Department appears to have requested H.E. the Commander in Chief to order the transfer of the prisoners, but the Com^r in Chief replied that as the men were confined in a jail which was not subject to Military Control, and as they had been struck off the strength of the Army, he was not empowered under the 152^d Indian Articles of War to pass orders for the removal of the prisoners.

The Madras Government, ~~have now~~ Judl Dept, now request that, under the above circumstances the Government of India may be moved to cancel

the transfer of the prisoners, should any legal disability prevent the President doing so himself.

4. The number of prisoners sentenced by Courts Martial and confined in the Bangalore Central Jail, regarding whose transfer the present question has arisen is 8 (vide page 3 of the printed Pro: of the Madras Govt enclosed in the letter now under disposal). But the terms of imprisonment of 7 of these men have now Expired, and only one man (No: 5 on the list) named Shaikh Hussain alias Shaikh Hussain is still undergoing imprisonment in the Bangalore Central Jail, and his term expires on the 23rd August 85. It is regarding him alone that the present

x Slip D.

question has to be considered

5. Article 152 of the Indian Articles of War (Act V of 1869) provides that the Commander-in-Chief of a Presidency may direct that any person under his command sentenced under the Articles to imprisonment, shall be confined in any Jail situate within the local limits of such command or may order his removal from any place of confinement under Military control to any other such place of Jail situate within such local limits. In the present case, as the prisoners were confined in the Bangalore Central Jail which is not situated within the local limits of the Comr in Chief's Command, H.E. the Comr in Chief rightly stated that he had no authority under Article 152 to order the removal of the prisoners from the Central Jail.

6. Article 153 provides that when any person subject to the Articles is confined in any Jail not subject to military control, under a sentence of imprisonment, whether passed by a Court-Martial or by a Court of Criminal Justice, the Govt of India, or the Local Government of the Presidency or place wherein such person is confined, may order his transfer to Military custody, or may order his removal from one to any other such place of confinement within the territories of such Govt:.

As the Bangalore Central Jail is not situated within the local jurisdiction of the Resident, it follows that, under the Article above referred to, the Resident has not the power to transfer the prisoner

and the Jails in the Madras Presidency are not so situated,

in question ~~##~~ from the Bangalore Central Jail to a Jail in the Madras Presidency, the general ~~sanction~~ order of the Government of India ~~to~~ conveyed in Foreign Dept Letter No. 913 I. dated 12th March 1884, to the effect that the system of keeping the C & R Madras prisoners in the Mysore Govt Jail should be terminated as soon as possible and that all prisoners sentenced to more than six year should be transferred to Jails in the Madras Presidency, * on a former occasion was considered sufficient authority to enable the Resident to transfer prisoners sentenced by the C & R Courts ~~to~~ to Jails in the Madras Presidency But that letter authorized the transfer only of persons

sentenced to imprisonment for more than one year, whereas the prisoner whose transfer is now sought has been sentenced to only one years imprisonment. It is not perhaps worth while applying for the special sanction of the Govt: of India to the transfer of this prisoner to a Madras Jail, seeing that three-fourths of his term of imprisonment has expired and that he has only 3 months more to serve. Under these circumstances, the Madras Govt may, it is submitted, be informed that the Resident feels unable to order the transfer of the prisoner under the terms of Article 153 of the Indian

Articles of War, and that as the prisoner has nearly completed his term of imprisonment it is not perhaps necessary to apply for the special sanction of the Govt of India, and that the prisoner may be left to complete his sentence in the Bangalore Central Jail if the Madras Govt have no objection.

7. It will be seen from the first letter quoted in the enclosure to the letter now under reply that the H.E. the Commander in Chief has directed that Native Soldiers who may hereafter be sentenced to imprisonment by Courts Martial at Bangalore should be sent to Jails in the Madras Presidency.

* Letter says "imprisonment with Land labour", but presumably they mean to include persons sentenced to simple imprisonment as well. Ames.

No more Court-Martial prisoners will therefore be sent to the Bangalore Central Jail. KLK 13.5.85

Yes. The difficulty will not arise in future.

As regards the present case, as I understand the facts, the man now in the Mysore Jail has been struck off the strength of the Army (see Madras letter under reply) and the Articles of War no longer apply to him. He may therefore be treated exactly like any other Convict. As he has not been sentenced to more than 12 months imp^t, he can work out his time in the Mysore Jail, and we may address the Madras Govt accordingly.

In answer to an enquiry made in Pl. N. 47, the Inspector General of Jails, Madras, who informed in Pl. N. 48, that the transfer of the Shahin prisoners to the jails in the Madras Presidency has been sanctioned under the authority of para 5 of Govt. India, Foreign Dept. letter N. 913 J. of 12th March 1884.

S. 49

2. In letter N. 3966 of 7 September 1892 the Inspector General of Jails states that no copy of the Foreign Department's letter referred to is on record in his office. He presumes that the transfer was sanctioned by the Govt of India under Sec. 32 of Act IX of 1871. There is no reason why such a presumption should be made in this case, as Sec. 32 refers to the transfer of any prisoners from one jail to another in British India, and as the Govt of India were fully aware that the Bangalore Central Jail belonged to the Native State of Mysore & was situate outside British jurisdiction (vide para 2 of 10

In the circumstances presumption that the sanction of the Govt of India was given under Sec: 32 of Act V of 1871, the Inspector General observes that in every case of transfer a separate order should be issued by the Govt of India. Being however, given to understand by this office letter No. 2898/389.5 of the 2nd September 1892 that Act V of 1871 does not apply to the Bangalore Central Jail as it is not in British India, Mr. Carden observes that any order under Sec: 32 could only take effect from same place in British India to which the prisoners from the Bangalore Jail must first be removed. How this is to be effected, the Inspector General does not say. There appears to be no notification under Act XXI of 1879 which removes this difficulty.

S. N. 115 File 389/85

4 The legality of the existing arrangements for the transfer of Sentenced prisoners from the jails in the Madras Presidency was once before referred by the Inspector General of Jails, but it was stated in reply that Foreign Dept letter of 12th March 1884 was sufficient sanction, & this view was accepted. Please see pl. Nos 9, 20 & 22 of this file.

5 In his last para, Mr. Carden states that as there seems some risk of the custody of Bangalore prisoners who are transferred to Madras jails under pres arrangements proving to be illegal, the question may be further considered or referred for the orders of the Govt. of India

6 There appears to be no necessity for acting up to Mr. Carden's suggestio If approved, a copy of the foreign depa letter of 12th March 1884 may be sent t the Inspector General of Jails, Madra & his attention drawn to the correspon ending with Mr. H. R. Grimes' letter No. 3692 of 25th Augt 1884. If he has stil doubts as to the legality of the present arrangements under which transfer of the Bangalore prisoners to Madras jails is effected, he may be told t refer the matter to the Govt. of Madra with whose knowledge & consent these arrangements were made.

8. As suggested in Sl. No. 50, the Inspector General of Jails has moved the Govt. of Madras in the matter of the transfer of Lb Station prisoners from the Bangalore Central Jail to the jails in Madras Presidency; & the Madras Govt. have stated in their order No. 1997 of Sl. No. 51-A.
22nd October 1892 that the Govt. of India will be addressed on the subject.

9. Please see para 12 & 13 of the Inspector General's letter in pages 5 & 6 of Sl. No. 51-A. No district jail has been built in the Lb Station - this question engaged a great deal of attention but in December 1885 it was allowed to lie in abeyance pending the appointment of one advising Engineer to & Lb Station which appointment was ever made. Mr. Lawder has also served in ~~Mysore~~ considering the Lb Station of Bangalore like a part of British India. File 301/85.

This district is foreign territory belonging to Mysore but has been assigned to the British Govt for administration. It has never been recognized as part of British India

There seems no necessity to write
10 address the Govt of India, who are fully aware of the circumstances & until a reference has been received from them the Govt in Station. In the meanwhile Mr Cuddon's misapprehension may, if approved, be pointed out to the Govt of Madras who may perhaps send an explanatory letter to the Govt of India.

21 In a d.o. letter dated the 26th June 1885, D. 55
the Inspector General of Jails, Madras,
enquired whether there would be any
prospect of a suggestion for the
application of the Bangalore Jail to
Madras being approved by the Resident
in Mr. Cobb answered this d.o stating that
the Bangalore Jail belonged to the Mysore
State & that the Durbar would resent
any idea of Madras interference.

22 In reply, Mr. Caisen in his d.o.
of 5th July 1885 (D. N. 56) refers to this
office letter N. 803-414 of the 7th July 1884 D. N. 16
in para 6 which Mr. Lyall expressed
his concurrence with the suggestion
that the Inspector General of Jails, Madras
should also be Inspector General for
the Bangalore Jail. The jail referred to
is not the present State Central Jail, but the
one then proposed to be built for the
exclusive use of the Mysore
as a District Jail in which prisoners
sentenced to less than one year's imprisonment
may be

were to have been received. This jail has not been built pending the appointment now existing by the L[ord] & N[ew] Statutes which appointment was never made. Had this jail been constructed & the L[ord] & N[ew] Statutes prisoners sent thither instead of to the Surrey jail at Wandsworth, that jail would have been brought under the supervision of the Inspector General of Jails, Madras.

Write last para of this letter on file 301/85

23 Mr Cadell does not want a reply, but yet it may perhaps be better to explain to him that the "Wandsworth jail" referred to in Major Wyllie's letter of 7th July 1884 alluded to a district jail then intended to be started in the L[ord] & N[ew] Statutes but that as no such jail has been established & the Surrey jail is continued to be utilized for L[ord] & N[ew] Statutes prisoners under sentences of less than one year with the permission

Sir,

I have the honor to forward herewith ~~copy of the~~ for the information of the Government of India copies of the correspondence noted in the margin, and to state that at present persons sentenced to imprisonment by the Courts of the Civil & Military Station of Bangalore are confined in the Bangalore Central Jail which belongs to the Mysore State. From the statement received with the letter from the Dewan's Secretary it will be seen that the cost to the Native State on account of the maintenance of Convicts & under-trial prisoners of the Civ & Mil Station

1. From the Registrar of the Chief Court in Mysore, No. 19 dated 20th Augt 1883.
2. To the Dewan of Mysore, No. 1309/271 dated 11th September 1883.
3. From the Secretary to the Dewan of Mysore, No. 4388/205 dated 16th Novr 1883 and its enclosures.

from the date of the Reduction up to the 30th September last has amounted to Rs 8790-9-2.

I propose, with the approval of H.E. the Governor General in Council to credit the Mysore Govt with the amount of the above charge in the account with the Durbar for the surplus Revenues of the Assigned Tract which is now in their hands.

I am also of opinion that the Central Jail should continue to be used as the Jail for the ... Station and that the charge for the up-keep of the prisoners of the Station should as suggested by Dr Henderson, the Supdt of the Central Jail, be adjusted annually with the Durbar, from the Revenues of the Assigned Tract.

2. As regards the question mooted by the Inspector General of Prisons in Mysore, whether convicts sentenced to transportation

Judicial. Sir,

I am directed
to acknowledge the receipt
of your letter, No. 1918/306, dated
the 9th of December 1883, and
previous correspondence, on
the subject of the cost and
maintenance of convicts and
prisoners under trial belong=
=ing to the Civil and Military
Station of Bangalore, who are
confined in the jails of the
Native State of Mysore.
In reply I am to convey
to you the orders of the
Government

† S.N. 6

Government of India upon the several points raised in the correspondence

2. It appears that hitherto persons convicted by, or under trial in, the British Courts in the Station of Bangalore have been confined in the Bangalore Central jail which lies outside the limits of our jurisdiction. Up to September 30th 1883 the debit which we had incurred to the Native State on account of their maintenance aggregated Rs 8790-9-2, with which you propose to credit the Mysore Government "in the "account with the Durbar for "the surplus revenue of the "Assigned Tract which is now "in their hands." The Governor General

General in Council accepts the charges as shown in your letter, and is pleased to sanction the payment of them as a charge against the revenue of the Assigned Tract; but I am to remark that it is not desirable to encourage the idea that the British Government is bound to account to the Mysore Durbar for the surplus revenue of the Assigned Tract.

3. You request orders as to the destination of convicts sentenced to transportation who have latterly been confined in the Bangalore Central jail, and in reply I am to inform you that such prisoners should be deported to the Andamans under the rules applicable to

to prisoners similarly sentenced in British territory. Arrange= =ments can be made by you with the Government of Madras with a view to carrying out such deportations when necessary.

4. As long as the present arrangements last, it will be preferable to make an annual settlement of accounts with the Mysore Government. The account should be made up to Decem= =ber 31st of each year, and should not, as hitherto, run on until a prisoner has served out his term. But, in the opinion of the Government of India, the present system of reliance upon the jail of a Native State is open to serious objections, which it is desirable

to

to remove. You should therefore take the necessary steps for the construction of a prison of the District jail class, with a lock-up attached to it, for the recep= =tion of convicts sentenced to imprisonment for 12 months and under, and for prisoners under trial.

5. There will then remain a small number of prisoners sentenced to longer periods of imprison= =ment, or of transportation convicts whom it is undesir= =able to send to the Andamans For them arrangements may conveniently be made with the Madras Government with a view to their admission to the Vellore or the Salem Central Jail. You are requested

to

to correspond direct with the Madras Government on the subject.]

I have the honor to be,

Sir,

Your most obedt. servant,

Sir,

I have the honor to bring to your notice that, at present, persons sentenced by Courts Martial in the Bangalore Civil and Military station are confined in the Central Jail at Bangalore where sentences of whipping passed upon them are also executed. Under article 151, Chapter V, Act V of 1869, the sentences of Courts Martial have to be executed in the nearest Jail; but article 152 Contemplates the Confinement of prisoners under sentence of such Courts in a Jail or other place within the local limits of the Military

Command

Command.

2. Under such circumstances, the legality of the Execution of Sentences passed by Courts Martial, in a Gaol which is situated beyond the limits of the Civil and Military station, appears open to question, and I have therefore the honor to request an Expression of your opinion as to whether the existing arangements should continue, or whether any change is under Contemplation.

3. As regards the prisoners Sentenced by the Criminal Courts of the Civil and Military Station, Sections 302 and 303 of the Criminal Procedure Code (Act X of 1872) Contemplate their Confinement in the Gaol of the District in which the trial is held, and, as since the Rendition the Civil and Military Station

is

is declared to be a District by itself, Separate from the Bangalore District, the Central Jail which is situated in the latter District is not, as regards the Civil and Military Station prisoners, such a Jail as is contemplated in the Sections above quoted.

4. I make this reference because the question has been raised by the Inspector General of Jails on more than one occasion, and not because the Durbar themselves desire or ask for any alteration of the existing arrangements.

Sir

In reply to your Secy's letter Nos 4388/205 of the 16th Nov. 1883 and 4575/218 of the 27th idem I am directed to inform you for the orders which he received from the Govt of India with regard to the imprisonment of prisoners convicted by the Courts of the Civil Stations, and at present lodged in the Bangalore Central Jail.

2. The Govt of India accepts

I have charged Rs 8750-9-2
for the keep of the
prisoners up to the 30th
Sept last which amt
should be credited to
the Dunbar. in my account of the revenues
I have also forwarded a draft at present kept in this Treasury
and I am also to request that
a supplimental acct
may be furnished showing
what further
charges were incurred under this
head up to the close
of 1883 - In this account the expense on account of convicts
whose term of imprisonment had not then expired
should be included.
3. I am also to
request that for the
future all charges
for the keep of prisoners (including persons whose terms of
imprisonment have not expired
may be kindly furnished
annually for adjustment
in this office, the accounts
to be forwarded made up to
the 31st December of each year.

4. The Govt of Madras directs that in future convicts ~~sentenced~~ sentenced to transportation by the ~~Sessions~~ Courts in the C & Kn Sts should be deported under the usual arrangements to the Andaman Islands and that for the reception of prisoners sentenced to ~~xxx~~ * 12 months and under, & for prisoners under trial, a prison of the district Jail Class ~~Second~~ with a lock up attached should be constructed in the station. The small number of prisoners remaining sentenced to longer periods of imprisonment, & of transportation convicts whom it is undesirable to send to the Andamans may, under arrangements to be made with the Madras Govt be confined in the Vellore

or Salem Central Jails.

5. With a view to carrying out these orders of the Govt. of India I am directed to request that you will be so good as to furnish the Resident with a return of the men if any who might now be sent to the Andamans under these orders: if there are any or if in your opinion such men are circumstances which in Dr. Henderson's opinion make it undesirable to deport them Mr Lyall would be obliged if Dr H will give a statement of the reasons.

6. Regarding the construction of a District Jail for the C & M Station, it is probable that the Resident may possibly have to request the Government of India to reconsider their orders, but to help him in the consideration of this matter, Mr. Lyall wishes

2

to obtain such information from the Superintendent of the Bangalore Central Jail as follows: —

(1) a return of the average daily number of C & M Station prisoners, male and female, adults and boys, European and Native, and Civilian and Military, who have been confined in the Bangalore Prison and Lock-up respectively during the Reduction, specifying in regard to prisoners the number sentenced to more or less than one year's imprisonment.

(2) an estimate of the amount of Maximum accommodation for each class of prisoners requiring separate treatment which will be likely to be required

in a C & M Station Jail and Lock up such as that contemplated by the Govt of India.

As Dr Henderson has to make out bills for the charges of prisoners of all kinds, civil and military, from the C & M Station, it would, it is believed, be much easier for him than for any other officer to give the Resident information on the points above noted. I am therefore to request you will be so good as to permit me to correspond and communicate officially with Dr Henderson on the subject.

I have &c

HW

Asstt. to the Ag[illegible] &

Dr Henderson could probably give the above information without much difficulty, and from his superintendence of Jail management in Bangalore his advice would be invaluable.

P.S. after this letter has been written the Resident has received your no 45 of 26th inst in which you ~~request~~ ~~the Resident to consider~~ his opinion ~~& instruct~~ on certain legal questions ~~& the~~ which have been raised as to the legality of the continuance of the existing arrangement whereby prisoners of the C.M.S are confined in the Darbar central Jail.

Mr L thinks you will agree that the instructions received in the Govt have attended to this aspect of the case, & that it is not now necessary for him to express an opinion.

LETTER—to

THE RESIDENT IN MYSORE,
Bangalore.

SIR,

With reference to Major Wylie's letter, dated 7th April 1884, No. 89-49, I am directed to forward, for your consideration, the enclosed letter from Colonel Tennant, the Inspector-General of Jails, and to request that this Government may be informed, if possible, of the probable number of convicts, male and female, for whom accommodation will be required. I am also to ask for an expression of opinion on the suggestion made by Colonel Tennant, that the Bangalore Jail should be placed under him; His Excellency the Governor in Council would have no objection to the suggestion being adopted, if it would tend to facilitate the attainment of the object in view.

2. With reference to paragraph 2 of the letter under reply, I am to say that His Excellency the Governor in Council agrees with the opinion that prisoners sentenced to transportation in Bangalore should be sent as soon as the period of appeal has elapsed to the Vellore Jail in order that the Jail Committee there may decide whether the convicts are fit to be transported to the Andamans

3. On receipt of a reply to this letter, His Excellency the Governor in Council will direct that arrangements be made for the receipt into the local jails of this presidency of any prisoners who may be sent under your orders from Bangalore.

I have the honor to be,
Sir,

15TH MAY 1884, No. 1203, JUDICIAL.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers :—

From Major H. WYLIE, C.S.I., Assistant to the Resident in Mysore, to the Chief Secretary to Government, dated Bangalore, 7th April 1884, No. 89-49.

In forwarding the accompanying copy of letter, No. 913 J., dated 12th March 1884, from the Government of India, conveying certain orders in regard to the disposal of prisoners sentenced by the British Courts in the Civil and Military station of Bangalore to transportation or imprisonment for a term of years, I am desired by the Resident, with reference to paragraphs 4 and 5 of the above letter, to inquire whether, with the permission of His Excellency the Governor in Council, arrangements can be made for sending such prisoners when sentenced to more than one year's imprisonment either to Vellore or Salem. It seems to Mr. Lyall that the jail at Vellore would be the most convenient.

2. I am further, with reference to paragraph 3, to ask whether prisoners sentenced to transportation may be sent from Bangalore, as soon as the period of appeal has passed, to Vellore or Salem (whichever jail is fixed upon), leaving it to the Jail Committee there to decide whether the convicts are fit to be transported to the Andamans and to order them in that case to be sent thence to the Madras Penitentiary on date fixed by the Inspector-General of Prisons, Madras, or whether such committee should be held here, and in case the prisoner is passed for transportation, he should be kept here till the time comes to send him to Madras. The former procedure would seem the simpler and more convenient, as, if the transportation convict is not fit to be sent to the Andamans, he will have to be kept in a Madras Jail, and further, as the jail at Bangalore will be exceedingly small, it might be objectionable to have to keep in it for some months prisoners convicted of very grave offences and under sentence of transportation.

ENCLOSURE.

From H. M. DURAND, Esq., Officiating Secretary to the Government of India, Foreign Department (Judicial), to the Resident in Mysore, dated Fort William, 12th March 1884, No. 913 J.

I am directed to acknowledge the receipt of your letter, No. 1918-306, dated the 9th of December 1883, and previous correspondence, on the subject of the cost and maintenance of convicts and prisoners under trial belonging to the Civil and Military station of Bangalore, who are confined in the jails of the Native State of Mysore. In reply, I am to convey to you the orders of the Government of India upon the several points raised in the correspondence.

2. It appears that hitherto persons convicted by, or under trial in, the British Courts in the station of Bangalore have been confined in the Bangalore Central Jail which lies outside the limits of our jurisdiction. Up to 30th September 1883, the debt which we had incurred to the Native State on account of their maintenance aggregated Rs. 8,790-9-2, with which you propose to credit the Mysore Government "in the account with the durbar for the surplus revenue of the assigned tract which is now in their hands." The Governor-General in Council accepts the charges as shown in your letter, and is pleased to sanction the payment of them as a charge against the revenue of the assigned tract, but I am to remark that it is not desirable to encourage the idea that the British Government is bound to account to the Mysore durbar for the surplus revenue of the assigned tract.

3. You request orders as to the destination of convicts sentenced to transportation who have latterly been confined in the Bangalore Central Jail, and, in reply, I am to inform you that such prisoners should be deported to the Andamans under the rules applicable to prisoners similarly sentenced in British territory. Arrangements can be made by you with the Government of Madras with a view to carrying out such deportations when necessary.

4. As long as the present arrangements last, it will be preferable to make an annual settlement of accounts with the Mysore Government. The account should be made up to 31st December of each year, and should not, as hitherto, run on until a prisoner has served out his term. But, in the opinion of the Government of India, the present system of reliance upon the jail of a Native State is open to serious objections, which it is desirable to remove. You should, therefore, take the necessary steps for the construction of a prison of the district jail class, with a lock-up attached to it, for the reception of convicts sentenced to imprisonment for 12 months and under, and for prisoners under trial.

5. There will then remain a small number of prisoners sentenced to longer periods of imprisonment, or of transportation convicts whom it is undesirable to send to the Andamans. For them arrangements may conveniently be made with the Madras Government with a view to their admission to the Vellore or the Salem Central Jail. You are requested to correspond direct with the Madras Government on the subject.

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 2nd May 1884, No. 134.

Referred to me with your endorsement, No. 865, dated 17th April 1884.

In returning the letter from the Assistant to the Resident in Mysore, dated 7th April 1884, with enclosure, proposing that arrangements should be entered into with the Madras Government under which convicts sentenced to imprisonment for periods of more than 12 months, by the British Courts in the Civil and Military station of Bangalore, shall be sent to the central jail either at Vellore or Salem, I have the honor to remark that it is not stated for what number of convicts accommodation is likely to be required. The available jail accommodation at Vellore and Salem is not in excess of our own requirements, and it may not unfrequently happen that drafts of prisoners cannot be received owing to the want of room. But should the present requisition be favorably received by Government, I would recommend that before further steps are taken the Resident in Mysore be requested to state the probable number of prisoners of this class (male and female) that are likely to be sent every year. I also take this opportunity to mention that European and East Indian convicts cannot conveniently be received into these central jails; prisoners of this class would therefore have to be sent either to the Penitentiary at Madras, or to the European Prison at Ootacamund.

2. Long-sentenced prisoners convicted at the stations where the central jails are situated are committed thereto direct, but those sentenced at out-stations are transferred to central jails periodically by order of the Inspector-General, under the authority vested in him by section 30, Act V of 1871. To each central jail a circle of district jails is attached, and endeavours are made as far as possible to transfer to the central jail only from the district jails of the circle, and no prisoner is transferred to a central jail except under special circumstances until his period of appeal has expired or the appeal has been rejected.

3. It will thus be seen that the transfers to central jails are conducted upon fixed principles in conformity with the jail rules; and every prisoner is sent to the central jail of his own circle, unless it may be necessary to transfer him elsewhere, owing to the want of accommodation, or for some other sufficient reason.

4. For the reasons given above I think it will prove inconvenient if the authorities at Bangalore are permitted to commit prisoners direct to our central jails. To meet this objection, I would suggest that the officer in charge of the Bangalore Jail should submit to the Inspector-General of Jails, Madras, a monthly return of convicts available for transfer, and to leave it to that officer to determine to what central jail such prisoners should be sent.

5. It would probably simplify matters if the district jail at Bangalore were placed under the Inspector-General of Madras. Such an arrangement would ensure

uniformity of administration and avoid misunderstanding. In regard to statistical information, the officer in charge of the Bangalore Jail might be instructed to comply with any requisition made by the resident in respect to returns, &c. I presume that the Government of India will be prepared to defray all expenses for the maintenance and transfer of such prisoners.

Supt

Jail for the Civil and Military Cantonment

Memo

The Jail would be required to give accommodation for the following classes of prisoners:-

Native male Convicted.
" Female do
" Juvinile do

Native male undertrial
" Female do

Native male civil
" Female do

European and East Indian male Convicted
" Female do

" Male undertrial
" Female do

" Male civil
" Female do
also Vagrants

Among these, the convicted are of two classes, those of short sentence (1 year and under) and those of longer. The whole of the first will always be present, but only a portion of the latter. those waiting issue of appeal.

For the sake of convenience and economy in supervision it will be as well, I presume, to have the accommodation for all classes in one place, or set of buildings — only in distinct and separate yards

or

or walled enclosures + the buildings in each enclosure being made suitable for the particular purpose required.

Probably five separate enclosures would answer.

/ for Native male Convicted.
/ " under trial
/ " Civil
/
/ for Europeans and East Indians of all Kinds
/ for Females of all Kinds

Juveniles also should be separated but probably it would do to have a separate room for them to sleep in.

The Europeans and East Indians might all be put in one ward, because they must be locked up in separate cells and do not or need not mix - and the various Kinds can thus easily be kept apart.

The females also of all Kinds may be in the same enclosure, because it is necessary to have their Prison under charge of a Matron - and one would do for all. There would of course

require to be separate buildings or wards in the yard to keep the various kinds apart. It might even be subdivided by railings.

The enclosures and buildings for native male under trial and civil would be small. Among the former it would be as well to have separate accommodation for those committed to the Sessions. Native Court martial prisoners would go with the rest and European soldiers imprisoned by Civil Courts with the others of their class.

The maximum accommodation for the various classes which would be required, is shewn in the Statement attached.

Besides the wards there would be needed various other buildings, as follows:-

Guard Rooms
Hospital for 2 or 3 patients
Store Rooms
Cells (2 or 3)
Latrines
Bathing places
An Office Room
A work shed
one or two wells

Quarters for a jailor

Do Matron &ca.

A Hospital Assistant might be attached who would be available to attend flogging at the jail or Magistrates Court.

What is most urgently needed I presume, is a Lock up or place of confinement for under trial prisoners this ought to be commenced as soon as possible. All the wards should, of course, be constructed according to usual rules as to cubic space, ventilation &ca &ca.

16/6/84. / Signed J. Henderson

The transfer of Prisoners might begin at any time. I should think Madras might be told that the average for which accommodation would be required would be 35 to 40 males and 12 females.

able Government, after that
date to send all C.

after sentenced to more
than a year, to some
one of the Madras Jails,
as soon as the period

Mr Izall is of

opinion that it would

Inspector General of Jails

To The Resident in Mysore
Bangalore

Sir

As directed in the order marginally quoted I have the honor to address you regarding the transfer of convicted prisoners now in the Central Jail Bangalore who have been convicted from the Civil and Military station Courts of that cantonment.

S&9A

2. I would request you will inform me whether, as these prisoners have been convicted in a Province, which is under the jurisdiction of the Government of India, the sanction of the Governor General in Council is not necessary under para 32 Sec: V of Act

No V of 1871 before their transfer can be made to the Jails in this Presidency.

3 If I am right in my supposition and such sanction has not been already accorded it will be necessary for you to obtain it before I can take action in the matter of their transfer.

4 I am prepared to receive the thirty seven Prisoners named in the statement which accompanied the Assistant Resident's letter addressed to the Chief Secretary to this Government dated 7th July 1884 No 803-414 and to order their transfer to such Jails as I may deem necessary.

I consider that the letter No. 2523 is sufficient sanction to the transfer. We can wait in order to terminate as soon as possible the system of keeping convicts in the Bijapur Jail and sending them to Madras. In the meantime I will see if some instructions cannot be given to the Superintendent regarding the treatment of the prisoners.

Agreeably to section 32 of the Act, the special sanction of the Govt Genl in Council appears necessary -

In para 5 of letter No 913 J. dt 12th March 1884 from Foreign Dept it is stated that arrangements may conveniently be made with the Madras Government with a view to the admission in the Central Jails at Vellore or Salem of the few prisoners who are sentenced to imprisonment or transportation convicts whom it is undesirable to send to the Andamans. If this does not appear to be objectionable the Govt of India may be applied to for the necessary sanction to transfer the 37 prisoners to the Madras

19TH JULY 1884, No. 1778, JUDICIAL.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper :—

From Major H. WYLIE, C.S.I., Assistant to the Resident in Mysore, to the Chief Secretary to Government, dated Bangalore, 7th July 1884, No. 803-414.

I have the honor, by desire of the Resident, to acknowledge the receipt of your letter, No. 1204, Judicial, dated the 15th May 1884, on the subject of the transfer of prisoners, sentenced by courts in the civil and military station of Bangalore, to jails in the Madras Presidency.

2. As to the number of convicts, male and female, thus to be transferred, for whom accommodation will be required, I am to say that during the last 3 years the average daily number in the Mysore Central Jail at Bangalore of civil and military station prisoners sentenced to over one year has been 42, of whom 41 were native adults and one was a juvenile. Mr. Lyall is of opinion that when the system of imprisoning in Madras Jails all over one year convicts comes into full operation, the average for which accommodation will be required will probably be from 35 to 40 males and 2 females.

3. Judging from the experience of the past 3 years there are likely to be very few cases of European or East Indian convicts sentenced to more than one year's imprisonment. When such cases occur, the officer in charge of the Bangalore Jail can be directed to make a special report to the Inspector-General of Jails, Madras.

4. There are at present in the Bangalore Central Jail 37 prisoners from the civil and military station whose term of imprisonment will not have expired by the 31st December next. Mr. Lyall is of opinion that it would be advisable to transfer these men to Madras Jails as soon as arrangement can be conveniently made by the Inspector-General of Prisons for their reception. A list of the prisoners in question, showing the nature of crime, date and period of sentence and date of release, is enclosed, for the information of the Jail authorities.

5. With reference to paragraph 4 of Colonel Tennant's letter, No. 134, of the 2nd May last, copy of which accompanied your letter under reply, I am desired to state that the Civil and Sessions Judge of the station will be instructed to furnish the Inspector-General of Prisons, Madras, from the 1st of August next, with a monthly return of convicts awaiting transfer to Madras. Prisoners sentenced to transportation will be included in this return, and it will be left to the Jail Committee of the Madras Jail, to which they are sent, to decide whether they are fit to be sent to the Andamans.

6. Mr. Lyall is personally in favor of Colonel Tennant's suggestion that the Inspector-General of Jails, Madras, should be also Inspector-General for the Bangalore Jail, but before the arrangement could be made, he would have to submit it for approval to the Government of India. He does not think that Government would approve of the arrangement if it involved any additional charge for inspection. It would not, of course, be possible that the Bangalore Jail should count as a Madras Jail, the returns and report would be submitted by the officer in charge to the Inspector-General, who would send on to the Resident those which have to be sent on. In any matter requiring by rule the orders of Government, the Inspector-General would have to report to the Resident who has the powers of a local Government in the civil and military station of Bangalore.

Sir, With reference to my despatch No. 1137 dated 21st August 1884 forwarding for sanction, two statements received from the Superintendent Andaman aggregating Rs. 6374-14- being the cost of maintenance at the Central Jail Viz. Port Blair up to 31st December 1883 of the prisoners sentenced by the British Courts in the Straits Settlements & Burmah.

No. 3692. Ootacamund, 25th August 1884

From

H. R. Grimes Esq:
Inspector General of Jails.

To

The Assistant to the
Resident in Mysore.
Bangalore.

Sir,

I have the honor to acknowledge the receipt of your letter dated 20th Instant — No. 1112/583 and in reply I beg to state I am quite willing to accept the Residents' views as regards the legality of the transfer of the Civil and Military Station prisoners in the Mysore Government Jails, and to request that the Superintendent of the Central Jail at Bangalore be directed to transfer Convicts Nos 5961, James Williams and 6247 Mariyan to H.M's. Penitentiary at Madras and to transfer the remaining thirty five prisoners to the Central Jail at Coimbatore, and that

that he be further directed to communicate direct with the respective officers in charge of those Jails, informing them on what dates he proposes to despatch the prisoners and giving full particulars regarding their antecedents in the Jail under his charge.

2. According to the rules in this Presidency, when convicts are transferred from one jail to another, the receiving jail has to return the clothing of the convicts to the Jail from whence they have been transferred. I propose this rule shall be adopted in this instance.

3. As presumed in para 5 of the late Inspector General of Jails' letter to the Chief Secretary to this Government dated 2d May last. No 134 I infer that the Government of India defray all expenses for the maintenance of prisoners sentenced by Courts in the Civil and Military Station of Bangalore and their transfer to the Jails in this Presidency -

I think the communication should be through this office, but the Registrar can forward such letters to Inspector General without referring to Resident or Asst: Resident if no reason for referring seems apparent one a month will do. As to juveniles how are they dealt with in Madras, is there any Reformatory and if so what are the rules. As to class of boy prisoners to be sent there. We may consult Inspector General as to Dr: Henderson's question regarding juveniles & women. My present idea is that women might best stay here if not sentenced to more than three years, and boys also unless there is a reformatory to which boys sentenced to more than one year might advantageously be sent.

As to Court Martial Prisoners please address Military authorities explaining how question stands and say I agree with Dr. Henderson in thinking that these prisoners ought not to

My dear Wylie

We have despatched ~~two~~ batches of Cantonment Convicts to Madras Jails.

Please let me know, if in future when Convicts are ready to go, I am to communicate direct with the Inspector Genl of Madras Prisons & ask him where & when they may be sent = or through

A Monthly once is monthly should do — personally.

the "Resistency" Also I
~~should~~ wants to know about
Juveniles, & women, are
they to be deported, or
kept here - ?
Also concerning Court
martial Prisoners. I
think arrangements should
be made to send them away
to Dublin at once.
They should never come
here at all - I suggest
you should address the
Military authorities on the
Subject -

I think we have rather
begun at the wrong end.
My notion is that what
is most urgently wanted for the
Cantonment is
1. a Lock Up. for incendiaries
2. A place of incarceration
for Europeans & East Indians
3. Civil Prisoners —
It does not so much matter
what becomes of the ordinary
native convict once he is
sentenced & if the Mysore
Jails are to be used at all,
we might as well have had
the punishment that were most useful

I do not know if anything has been done about a small Dai's or Look up for the Cantonment. if not, I should suggest that you apply to Calcutta or Madras for a Standard Man of a "Dug", such as is required

I do not know that I have any opinions to suggest anything, but I hope there is no harm—

Very sincerely

SIR,

With reference to the correspondence ending with your letter of the 7th July last, No. 803/414, I am directed to forward the papers* marginally noted relative to the transfer to Jails in this Presidency of native soldiers sentenced to imprisonment by Courts-martial and undergoing imprisonment in the Bangalore jail. Letter from the Adjutant-General to the Secretary to Government Military Department, dated Ootacamund, the 25th February 1885; No. 387.

Referring to Proceedings of Government No. 581 of the 3rd February 1885, — I am directed to observe that, paragraph 2 of Order of Government No. 204 "Judicial" dated 26th ultimo, therewith communicated, seems to contemplate that, orders for the removal of the Court-Martial prisoners therein referred to from the central Jail at Bangalore, should be issued by the Commander-in-Chief.

With reference to this, I am to say that, as the men are at present confined in a Jail which is not subject to Military control, and further having been struck off the strength of the Army, His Excellency is not empowered under the 152nd Indian Articles of War to pass orders for their removal from that Jail to another place of confinement.

With regard to those prisoners, however, who are now undergoing imprisonment in the central jail at Bangalore, I am to request, with reference to the 153rd Indian Articles of War (Act V of 1869), that Government may be moved to cause their transfer to jails in the Madras Presidency if this has not already been ordered by the Government of India.

ENCLOSURES.

From Major-General HUGH ROLANDS, V.C., C.B., Commanding Bangalore Division, to the Adjutant-General, Ootacamund, dated Bangalore, 29th October 1884, No. N.A.—Prisoners, 252-A.

I have the honor to enclose copy of letter, No. 1453-A—759, dated 15th October 1884, from the Assistant to the Resident in Mysore in which he informs—

I. That the Government of India have sanctioned the construction of a district jail within the assigned tract for the reception of prisoners under trial, and of convicts sentenced by the courts of the civil and military station to imprisonment for twelve months and under, and have further ordered the transfer from the central jail at Bangalore to jails in the Madras Presidency of all prisoners sentenced by such courts to more than one year's imprisonment.

II. That steps have been taken by the Resident to carry out the above orders, but that the question now arises as to the disposal of prisoners sentenced to imprisonment by courts-martial, and that the opinion of the superintendent of the central jail at Bangalore is, that military prisoners ought not in future to be sent to Mysore jails, with which opinion the Resident concurs, but would like to know the wishes of the military authorities on the matter, and whether they consider that court-martial prisoners may be sent to Madras jails till a civil and military station jail is constructed, or whether the Mysore Government should be asked to take charge of them till then.

III. That, if there are any reasons against sending court-martial prisoners from Bangalore to Madras jails, the Resident would ask the durbar to allow its jail to be used till one for the civil and military station is built.

2. I beg to submit the question for the consideration and orders of His Excellency the Commander-in-Chief.

3. The number of court-martial prisoners at present undergoing sentence in the central jail, Bangalore, is nine. These prisoners belong to native corps quartered in the station.

From H. WYLIE, Esq., Assistant to the Resident, Mysore, to the Officer Commanding Bangalore division, dated Bangalore, 15th October 1884, No. 1453-A—759.

I am directed by the Resident to inform you that the Government of India have ordered the construction of a district jail within the assigned tract for the reception of prisoners "under trial" and of convicts sentenced by the courts of the civil and military station to imprisonment for twelve months and under, and have further ordered the transfer from the central jail at Bangalore, which is under the control of the Mysore Government, to jails in the Madras Presidency of all prisoners sentenced by such courts to more than one year's imprisonment.

2. The necessary steps have been taken by the Resident to carry out the above orders, but the question now arises as to the disposal of prisoners sentenced to imprisonment by courts-martial. The opinion of Dr. Henderson, the superintendent of the central jail at Bangalore, is that military prisoners ought not in future to be sent to Mysore jails, and with this opinion the Resident concurs; but Mr. Lyall would like to know what the wishes of the military authorities are in this matter, and whether they consider that court-martial prisoners may be sent to Madras jails till a civil and military jail is constructed, or whether the Mysore Government should be asked to take charge of them till then.

3. If there are any reasons against sending court-martial prisoners from Bangalore to a Madras jail, the Resident will ask the durbar to allow its jail to be used till the one for the civil and military station is built.

JUDICIAL DEPARTMENT.

READ—again the following paper :—

G.O., dated 16th January 1885, Mis. No. 124, Judicial.

Read—the following letter from H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Madras, 9th December 1884, No. 359 :—

With reference to the Order of Government, dated 3rd December 1884, Mis. No. 3166, referring, for early remarks, papers regarding native soldiers sentenced to imprisonment by courts-martial in the Bangalore division being sent to jails in this Presidency, I have the honor to remark that I am prepared to receive such prisoners, but I request the orders of Government whether the cost of dieting, clothing, &c., of these prisoners is to be borne by this Government or whether it is to be recovered from the Imperial Government. This question was referred to by the late Inspector-General of Jails in his letter to Government, dated 2nd May 1884, regarding the transfer of prisoners sentenced by British Courts in Bangalore to Madras jails, but no orders have been passed regarding it.

Order—dated 16th January 1885, Mis. No. 124, Judicial.

The Inspector-General's letter will be communicated to the Military department in continuation of G.O., 3rd December 1884, No. 3166, with request that it may be intimated whether that department is prepared to accept the charge for the maintenance of the military prisoners proposed to be transferred from Bangalore.

2. With reference to the question raised by the Inspector-General of Jails at the close of his letter read in G.O., 15th May 1884, No. 1204, the Accountant-General will advise whether the charges on account of the civil prisoners could be made a debit on Imperial funds, as proposed by the Inspector-General.

Budget department.

With reference to Proceedings of Government in the Judicial department, Mis. No. 124, dated the 16th January 1885, I have the honor to state that the Inspector-General of Jails might be instructed to submit to this office a quarterly statement of the expenses incurred for the maintenance and carriage of prisoners sentenced by the British Courts in the Civil and Military Station of Bangalore to transportation or imprisonment for a term of years, and transferred to the jails of the Madras Presidency. The amount could then, with the sanction of the Government of India, which would not, I assume, be withheld, be adjusted in the books of this Presidency to the credit of Provincial funds by debiting Imperial under the provisions contained in rule 18, chapter 68, of the Civil Account Code.

ORDER—dated 27th February 1885, No. 545, Judicial.

The question raised by the Inspector-General of Jails is whether the Jail department is not entitled to be reimbursed from Imperial funds for the maintenance, clothing and carriage of the military and civil prisoners sentenced by courts in the Civil and Military Station of Bangalore, and transferred to jails in this Presidency.

2. In regard to the former class of prisoners the opinion of the Controller, Military Accounts, is that the proposed debit cannot be accepted in the Military department. This view was in other words expressed by the Accountant-General in a previous and somewhat similar reference—*vide* his letter read in G.O., dated 13th March 1882, No. 250, to which the Inspector-General is referred.

3. As regards the civil prisoners, the Inspector-General will adopt the suggestion now made by the Accountant-General and submit the quarterly statement indicated in his letter.

4. Copy of these proceedings will be communicated to the Resident in Mysore and to the Government of India.

To

The Inspector General of Prisons
in Mysore, Bangalore.

Letter No $\frac{2192}{547}$ dated 28th March 1884, Para 3 from the Assistant Resident, to the Dewan of Mysore.

In compliance with the above, has the honor to forward for disposal the bills of cost of maintaining the Prisoners of the Civil and Military Station Courts in the Bangalore Central Jail, & District Lock-up for the year 1884, amounting to Rupees 4110-1-2, and Rupees 359-12-4 respectively.

2. The Natives have been charged for at the rate of Rupees 72 per annum, or Rupees 6 per mensem, and the European and Eurasian at the rate of Rupees 108/- or Rupees 9 per mensem, these being considered fair average rates - In the one case this is not so high and in the other

it is a little above the general average, which includes a great many items not incurred for these prisoners alone.

3. Also it seems but fair that a little reduction should be made for their labour, and because being mostly short term prisoners, they are not so oppressive as long term or Lifers.

SIR,

Enclosures

I have the honor to enquire, with reference to Capt. Ravenshaw's letter No. 2001—353A5, dated the 15th June last, under what authority orders for the transfer of prisoners from the Civil and Military Station of Bangalore to Madras Jails are now issued by you. In this office letter No. 3441, dated 8th August 1884, it was suggested that such transfers required the orders of the Government of India under Section 32 of Act V of 1871 since amended by Act X of 1886, and in Major Wylie's letter No. 1112—583, dated 20th August 1884, it was stated that so far as affected prisoners then in the Central Jail Bangalore the Government of India's letter No. 913T, dated 12th March 1881.

In reply to your Letter No 2918/353-81 dated 3rd September 1892 I have the honor to state that no copy of Foreign Department Letter No 913 J dated 12th March 1884 appears to be on record in this office, the purport only of para 5 thereof having been stated by Major Wylie in para 2 of his Letter No 1112/583 dated 20th August 1884. I presume however, that the sanction of the Government of India to the transfer to Madras Jails of prisoners then in the Central Jail Bangalore which was held to have been conveyed by ~~that~~ Letter, was given under section 32 of Act V of 1871 since amended by act X of 1886.

1. 20

2. It does not appear to me that ~~that~~ section contemplates or authorizes the issue of a general or standing order for the transfer of prisoners from one Presidency to another, but rather requires that a separate order shall be passed in each case. This has been held to be the meanin

f Section 30 the terms of which are precisely parallel.

3. From para 2 of your letter No. 2898/3895 dated 2nd September 1892 I gather that the Bangalore entral Jail is not in British India. If this is so, it appears probable that Act V f 1871 does not apply to that Jail and that ny order under section 32 could only take ffect from some place in British India to hich the prisoners must first be removed. Possibly however some notification under ct XXI of 1879 exists which removes this ifficulty.

S. No. 115 Fl. No. 289/85

4. As there seems some risk of the custody f Bangalore prisoners who are transferred o Madras Jails under present arrangements roving to be illegal, I would suggest that the question may be further considered r referred for the orders of the Government f India.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following ~~paper~~:—

Proceedings of the Judicial Department dy 22d October 1884 No. 1994-

- Read the following letter from the Inspector General of Jails dy 20th September 1884 No. 4259-

In certain correspondence between His Excellency the Governor-in-Council and the Resident in Mysore, ending with G.O 19th July 1884 No 1448 Judicial, an arrangement was come to whereby convicts sentenced to periods of imprisonment in excess of one year by courts in the civil and Military stations of Bangalore, are transferred to Madras Jails to undergo their sentences-

SL 49A

SL 19

2. In a letter dy the 8th August 1884, No 3441, Mr. Grieves, then Inspector General of Jails, addressed the Resident in Mysore regarding the details of this arrangement, and amongst other matters required whether, as the prisoners in question had been convicted in a Province not under the Jurisdiction of the Madras Government, the sanction of the Government of India was not required, under Section

12, Act V of 1841, to their transfer to Madras.

3. The Resident's reply of 20th August 1884, No. 1112-583 states:- "The Resident considers the order of the Government of India, as conveyed in paragraph 5 of their letter No. 913 J of 12th March 1884 is a sufficient sanction to the transfer of the Civil and Military station prisoners now in the Central Jail, Bangalore, to Jails in the Madras Presidency". He enquires whether Mr. Grimes would accept Mr. Lyall's views in the matter. SL 20 Encls: 10-2

4. On the 25th August 1884, in letter No. 3692, Mr. Grimes replied:- "I am quite willing to accept the Resident's views as regards the legality of the transfer of the Civil and Military station prisoners in the Mysore Government Jails". SL 22

5. Since the correspondence above summarised, it has been the custom for the Resident in Mysore, from time to time, to inform this office that so many prisoners were awaiting transfer and to enquire to what Jails they should be sent. On receiving a reply to this query, the Resident issues orders to the Superintendent of the Central Jail, Bangalore, to transfer the prisoners in question to the Jails indicated. I enclose a copy of the forms of letter which the Superintendent of the Central Jail, Bangalore, adopts when intimating the despatch of the prisoners (Enclosure 1). The statement in this letter that I had ordered the transfer is inaccurate.

b.

Ex 47

6. In a letter No 3864 dy 30 August last, I addressed the Resident in Mysore, enquiring under what authority the transfer of prisoners from Bangalore to Madras was now ordered, and pointing out that Mr. Lyall's letter of the 9th August 1884, No 1112-583 referred only to prisoners there in the Central Jail, Bangalore. In reply, the Resident informed me that the transfer has been continued under the authority of paragraph 5 of Government of India, Foreign Department letter No 913 J of the 12 March 1884.

Sl 20

Encl: to Sl 10/2

7. I enclose copies of the marginally noted correspondence which has since passed between the Resident and myself, and in accordance with the suggestion contained in paragraph 2 of the Resident's letter of the 15 September 1892, I have the honor to refer the matter to Government for orders.

X To Resident No 3966 dy 4 Sept 1892.
From Resident No 3060-355-85 dy 15 Sept 1892 with enclosure

8. I venture to think that the view hitherto acted upon viz that paragraph 5 of Foreign Department letter of the 12 March 1884 No 913 J sufficiently authorizes the transfer of Bangalore prisoners from time to time to Madras

Jails

Jails, is erroneous. It will be observed that the opinion expressed by Mr. (now Sir James Lyall) in 1884 was limited to the prisoners then in the Central Jail Bangalore. In the correspondence recorded in G.O 8th February 1892, No. 252 Judicial will be found an opinion of the Government Advocate Punjab, to the effect that an order of transfer under section 30, or Section 32 of Act V of 1841 as amended by Act X of 1886 can apply only to persons already convicted. This view was accepted by the Government of India, and thus the instructions issued by the Foreign Department in 1884 cannot be a sufficient sanction to the transfer of prisoners convicted in 1892.

It has further been held by His Excellency the Governor in Council in the orders noted in the margin* that a specific order under Section 30, Act V of 1841 is required to authorize periodical transfers from Jail to Jail, and the terms of section 30 are identical with those of section 32, mutatis mutandis.

10. It is hardly necessary to add that the Government of India invariably makes a separate order under section 32 in every case in which a prisoner

* G.O 25th June 1884 No. 1341 J.D.
" 23 July 1884 No. 1618 J.D.

If an unconvicted prisoner has to be transferred from Madras to Burma or vice versa.

11. It, therefore, appears clear that the practice hitherto adopted by the Residents in Mysore of ordering the transfer of Bangalore prisoners to Madras Jails without obtaining the previous sanction of the Government of India, is incorrect, and as it is probable that the legality of the detention in Madras Jails of prisoners thus irregularly transferred is open to question, I submit that the matter should be referred to the Government of India with a view to a correct procedure being adopted.

12. I beg to point out in conclusion, that the matter is somewhat complicated by the Central Jail, Bangalore, being situated outside the limits of British India. This being so, it does not appear that the Government of India can make an order under Section 32, Act V of 1871 for transfer from that Jail to Madras Jail, as the Act is not in force in the Mysore

Right.

Cale

State. It would be necessary, apparently, first to obtain the extradition of the prisoners from the Native State and then to order their transfer from some place in British India to Madras. Since 1884, however, I believe that a District Jail has been built in the Civil and Military Station, Bangalore, and if so, it might be possible to confine therein prisoners sentenced to more than 12 months pending their transfer to this Presidency. The necessary arrangements for their transfer could be made in less than 6 months, before which their appeal time would not have expired; and the difficulty arising from their first place of detention being outside British India, would disappear.

3. In this connection, I have not referred to one possible view, viz that because prisoners convicted by the Civil and Military Courts of Bangalore are after conviction removed from British India and confined in a Central Jail lying within a Native State, therefore the provisions of Act V of 1841 do not apply to them at all,

+ no jail has been built for the [illegible] The matter was [illegible] to decide [illegible] appointment upon [illegible] to the [illegible] State (vide concluding para of office note on P.P. 30) E.

+ no, the State is a foreign territory and is governed by British ... It is no part of British India.

+ no - the State is not British India.

and that the Governor General in Council can accordingly make any general order, such as is contained in paragraph 5 of Foreign Department letter No. 913 J dy 12th March 1884, which will continue to hold good indefinitely. It appears to me, that, as soon as the prisoners in question enter British India, Act V of 1841, must apply to them, and that in order to legalize their transfer to a Jail in British India and their detention there, an order under Act V of 1841, is necessary. It is possible, however, that this view is incorrect, and if so the existing procedure, though not apparently covered by any provision of law, might be held to be warranted and authorized by the general powers of the Government of India and of the Residents.

Order 22nd October 1892 No. 1994.

The Government concurs with the views expressed by the Inspector General and the Government

Calcutta, the 3rd March 1893.

Sir,

I am directed to acknowledge the receipt of your letter No. 1998, Judicial, dated the 22nd October last, inquiring whether the letter from the Government of India in the Foreign Department, No. 913 I., Judicial, dated the 12th March 1884, should be considered as a general order under section 32 of Act V of 1871 authorizing the transfer of prisoners sentenced to imprisonment for longer periods than one year from the Bangalore Central Jail (which lies outside the limits of British India) to the Vellore or Salem Central Jail, or whether the sanction of the Government of India should not be obtained in each case. You observe that the Foreign Department letter quoted above appears to have reference only to the prisoners then confined in the Bangalore Central Jail, but that it has been customary for all prisoners sentenced as above to be transferred without reference to higher authority.

2. In reply I am to say that the practice hitherto followed with regard to these transfers may be continued. The Government of India do not think that there is any doubt as to the legality of the detention in Madras Jails of prisoners sentenced by the British Courts at Bangalore and transferred in accordance with this practice, as section 16 of Act V of 1871 is a sufficient authority for such detention. I am to add that section 32 of the Act is inapplicable to the case, as it refers only to transfers from one part of British India to another.

I have the honour to be,

Sir,

Your most obedient Servant,

J. P. HEWETT.

Deputy Secretary to the Government of India.

My dear Cobb,

As promised, I am sending you a copy of my Report for 1894, & the Govt's Review. I wish Bangalore was in my range. Both that I might see the Jail there & more particularly that we might make it a centre for buying raggi & wool, for which there is a large market in Bangalore. As it is, if I send a man up to buy either article, I have to go up to Govt specially about his T.A. If there could be any prospect of a suggestion for the affiliation of the Bangalore Jail to Madras being approved by Mr Lee Warner, perhaps you would let me know.

Yours sincerely.

My dear Cardew,

Thanks for your report &c. Yesterday was the D.C. & accompany it. I shall show both to the Rt. & suggest to the suggestion made in the letter & the affiliation of the Bang. Jail to Madras. I entirely concur in the Bang. Jail belongs better here for its work & my wish to [illegible] prisoners there. They have certainly a good jail & I hope the Govt's opinion will very soon [illegible] I am glad to hear affiliation might be possible: but [illegible] there are many other [illegible] for attention & always rate for some considerable time to come. I C.C. Rose will perhaps move in the matter

Yours sincerely

My dear Cockburn,

Cardwell's Dep. to which
Sir Stafford Northcote's reply is printed, I
think, in the top left hand
drawer of the writing table
by my desk in the d. o. itself,
& was written under the
Rt. H. Adams with not any
knowledge of the Burma Correspondence
Cardwell now refers to.
This might now be called for
if the Rt. H. Adams requested

Yours sincerely

OFFICE OF INSPECTOR GENERAL OF PRISONS,

Ootacamund, July 5th 1895.

My dear Cobb.

In reply to your D.O. of the 2nd if you will refer to Major Wylie's Letter No 803-414, dated 7 July 1884, it will show that the question of affiliating the Bangalore Jail to Madras has been raised before & was favourably considered by the then Resident, Mr. (now Sir James) Lyall. Possibly this fact might influence Mr. Lee Warner's view. The advantage to Bangalore would be that the officials of the Jail might be graded in the Madras Jail list, or might be treated as though they were so graded. I have already mentioned the great advantage which would be gained by this Presidency if it had a regular & responsible purchasing agency at Bangalore. I am afraid the Mercara Jail does not possess the same advantages from your point of view. No add.l charge for inspection would, in my opinion, be involved.

Do not trouble to reply unless Mr. Lee Warner thinks the matter worth pursuing as the Resident's view of course decides the question. Yours sincerely, Kind notice LRW

[DRAFT].—For approval.

No. 2862

Dated 24 July 1895.

To

Dear Sir,

In reply to your d. 6. letter dated the
5th instant to Mr Cobb, I am desired by
the Resident to explain that the
"Bangalore Jail" referred to in para 6
of Major Wylie's letter No. 803/414 of the 7th July
1884 to the address of the Chief Secretary to
the Govt of Madras alluded to a district
jail which it was intended to establish
in the Cantonment of Bangalore, but that
no such jail has yet been established
and the Bangalore Central Jail of the
Mysore State situated outside the
limits of the said station has been utilized for the Cantonment
prisoners sentenced under
sentences of less than one year with the Darbar's permission.
